A wide-angle photograph of a bright, elegant living room. The floor is covered in highly reflective, light-colored marble with intricate white veining. In the background, a white sofa is positioned on the left, and a white TV stand with a large black television is centered against a wall with decorative paneling. A small, ornate coffee table sits in front of the TV stand. To the right, a white armchair is visible. The room is lit by natural light from large windows on the left and by wall sconces. The overall aesthetic is clean, modern, and sophisticated.

## Discover Your Perfect Dream Marble

We will help you find the ideal stone that matches with your interior design concept for your home and projects.

A large, dark, veined marble slab is the central focus of the image. The marble has a complex pattern of thin, light-colored veins crisscrossing across its dark surface. The text is embossed or engraved in a gold color. The background is a blurred industrial setting, likely a marble processing plant, with various pieces of machinery and equipment visible. The lighting is dramatic, highlighting the texture of the marble and the metallic sheen of the text.

- All Italian marbles are 18mm thick.
- Fully plant-processed and factory finished.
- Premium high-quality material.
- 2–5% resin/epoxy filling is standard for better strength and a smooth finish.
- To get a better feel of the marble, we always ask our customers to visit our showroom.

## About Our Company

Vardhman Sagar Marbles is a trusted name in the natural stone industry, known for supplying premium-quality Italian marble, imported marble, Indian marble, granite, onyx, and quartz stones. Based in Kishangarh—India's largest marble trading hub—we serve homeowners, architects, builders, and interior designers across India with carefully sourced and professionally processed stone collections.

With years of hands-on industry experience, we combine global sourcing standards with local expertise to deliver stones that meet the highest expectations of design, durability, and finish.

The background of the image is a close-up of a polished onyx stone. It features a complex, organic pattern of veins in shades of golden yellow, tan, and light beige, set against a darker, more uniform brownish-gold base. The lighting is soft and even, highlighting the natural texture and color variations of the stone. The overall appearance is that of a high-quality, natural stone surface.
